

electing these two former Members to a 1-year term on our executive committee, please say "yea." All opposed? Hearing no opposition, the slate has been elected by the membership. Thank you.

#### AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. HULTGREN) at noon.

#### PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

We give You thanks, O God, for giving us another day.

We ask Your blessing this day upon the Members of the people's House. May their labors be graced by Your gifts of wisdom, patience, and charity, that truth and righteousness might prevail in all of their proceedings.

We take special note this day, May 15, National Peace Officers Memorial

Day, of the 123 peace officers who have died this past year in the line of duty. We ask that You grant them eternal rest for having paid the ultimate price in protecting us.

Give their families consolation in mourning their loss. May they be assured that we, as a nation, hold them in our hearts and understand that we will always be indebted to them.

May all that is done within the people's House this day be for Your greater honor and glory.

Amen.

Mr. VEASEY led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

#### ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair will entertain 15 requests for 1-minute speeches on each side of the aisle.

#### WHITE HOUSE ASSAULTS FREEDOM OF PRESS

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, the expansion of Big Government is a threat to the American people. According to Politico, the administration:

had obtained records that listed incoming and outgoing calls and the duration of these calls for work and personal phone numbers of AP reporters and phone lines for AP offices in New York; Hartford, Connecticut; and Washington, as well as the main number for AP reporters in the House of Representatives press gallery. The government seized records—which listed incoming and outgoing calls and the call's length—for more than 20 separate lines assigned to the AP and its reporters.

The American people are losing their trust in the White House. The recent admissions reveal that the President and his administration will do whatever it takes to extend power, including violating First Amendment rights. Even the media is at risk of Big Government intrusion. Over the coming weeks, it's my hope that this is thor-

oughly investigated and those responsible will be held accountable.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

#### SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM

(Mrs. BEATTY asked and was given permission to address the House for 1 minute.)

Mrs. BEATTY. Mr. Speaker, I rise today to denounce the proposed cuts to the Supplemental Nutrition Assistance Program, known as SNAP, in the House farm bill.

Last week, I had the opportunity to witness a mother feeding her two children and giving them a jump-start because of SNAP, and then a young lawyer came and talked to us about being able to make an investment in this country because she was assisted.

I'm from Ohio, and in Ohio, SNAP reaches 16 percent of the State's population. Eighty-four percent of the households receiving SNAP have incomes below the poverty line. SNAP has helped to lift about 4.7 million Americans above the poverty line in 2011, including 2.1 million children.

For many of the poorest Americans, SNAP is the only form of income assistance they have. Mr. Speaker, we must protect our most at-risk children and families in this Nation. Let's save SNAP.

#### REPEAL OBAMACARE

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, what was ObamaCare's central claim? The Affordable Care Act, as it was termed by President Obama, was supposed to make health care more affordable for the American people. Many who believed that claim, however, now have buyer's remorse.

ObamaCare was to help save families \$2,500 on their health care premiums. But that's not true. Family premiums have increased \$3,000 since 2008.

Even workers who make \$25,000 a year will pay more for health care because of ObamaCare. Young people struggling to pay off debt and find careers in this jobless economy could see their health premiums rise by as much as 189 percent.

In spite of lofty promises, health insurance costs are higher. More than 30 studies have found ObamaCare will make health care premiums less affordable by the time it's fully implemented.

Promises for affordable health care have delivered a true train wreck to the American people. It's time to repeal ObamaCare and all of its broken promises once and for all.
